“ I remember my family visits to the Mikans in Latrobe to see Bill, Marie, and my cousin Mary T. She was pretty and bright and always fun to be around. She became a nurse and an outstanding one, whose talents were recognized by the renowned Cleveland Clinic. May Pat, Andy, Maureen and Maggi be comforted in the knowledge that their dear Mother was admired and cherished. I will always be thankful to Mary for her kindness to Catherine, my Mother.

“ More than just best friends, but also "sisters" for more than half our lives. Sharing with each other every day via phone through the challenging times and joys with the constant base of love. I have and will continue to sorely miss both Mike and Al. Love to all the family
